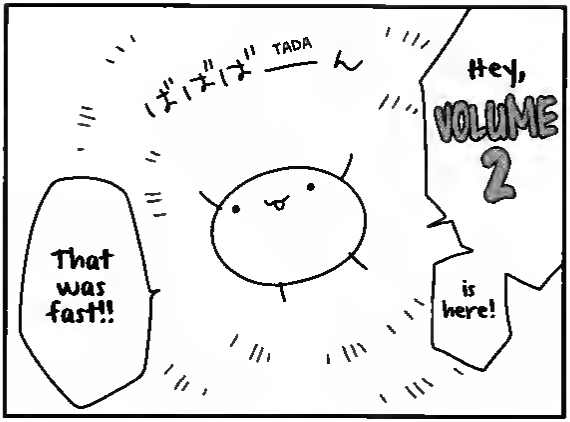
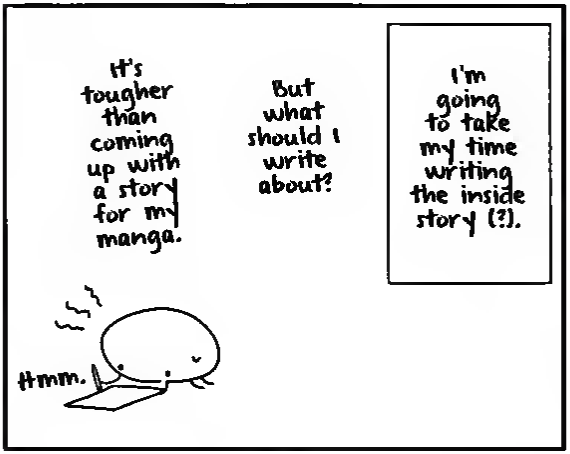
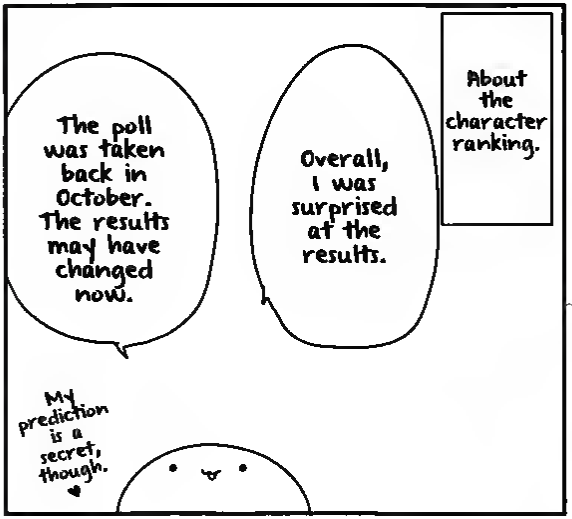
AFTERWORD



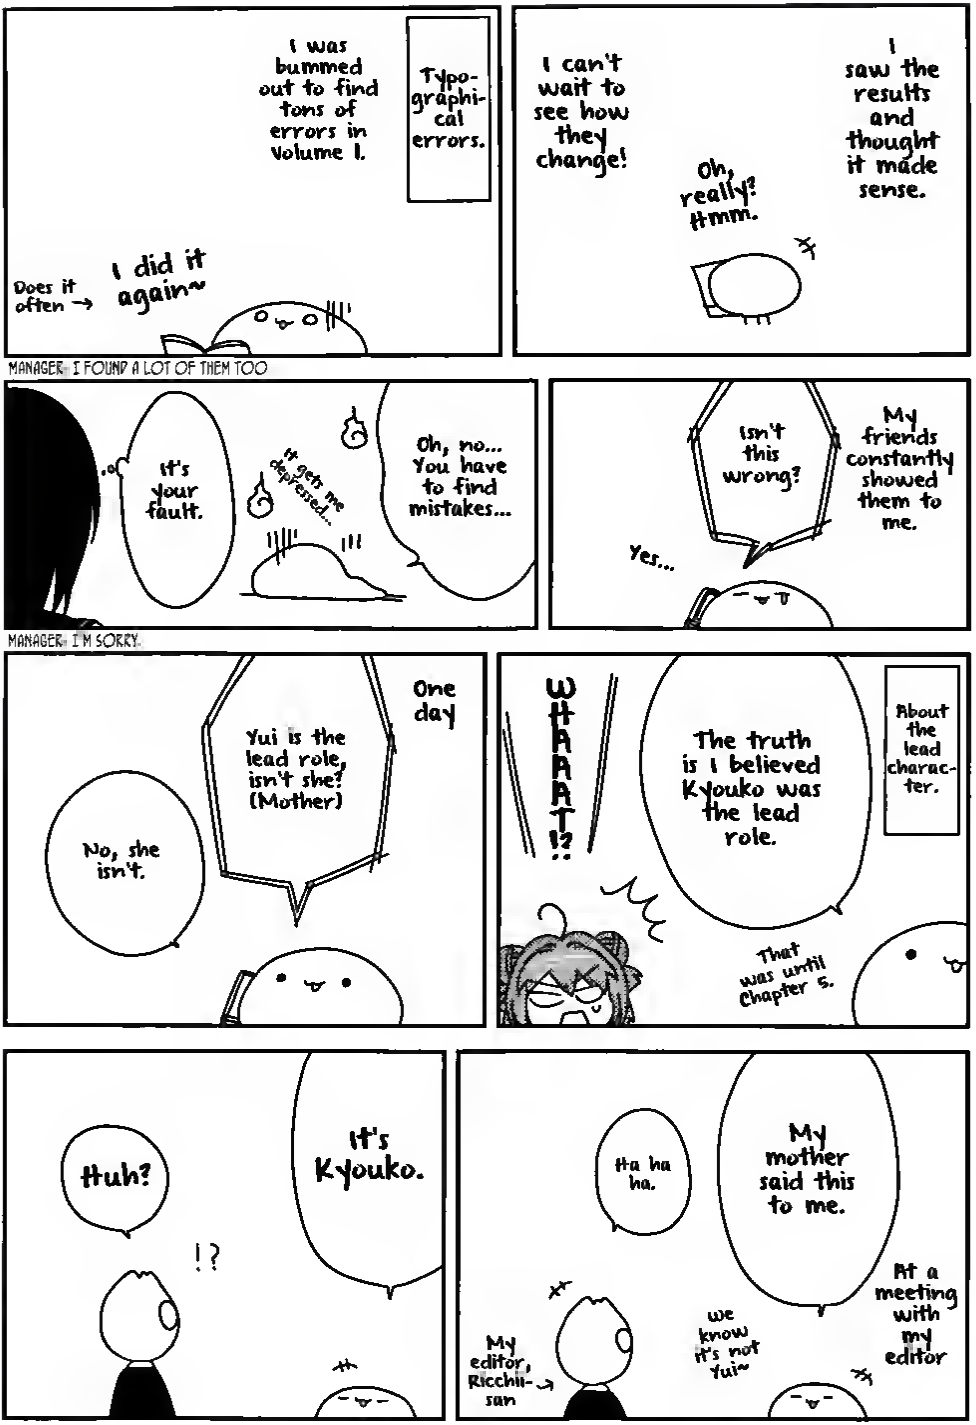
Hey, VOLUME 2 is here!
TADA
That was fast!!



I'm going to take my time writing the inside story (?).
But what should I write about?
It's tougher than coming up with a story for my manga.
Hmm.



About the character ranking.
Overall, I was surprised at the results.
The poll was taken back in October. The results may have changed now.
My prediction is a secret, though.



I was bummed out to find tons of errors in Volume 1.
Typographical errors.
Does it often →
I did it again~
I can't wait to see how they change!
I saw the results and thought it made sense.
Oh, really? Hmm.
MANAGER: I FOUND A LOT OF THEM TOO
It's your fault.
It gets me depressed...
Oh, no... You have to find mistakes...
Isn't this wrong?
My friends constantly showed them to me.
Yes...
MANAGER: I'M SORRY.
One day
Yui is the lead role, isn't she? (Mother)
No, she isn't.
WHAAAT!?
The truth is I believed Kyouko was the lead role.
About the lead character.
That was until Chapter 5.
Huh?
!?
It's Kyouko.
Ha ha ha.
My mother said this to me.
At a meeting with my editor
We know it's not Yui~
